**RE: JSTL Construction Ltd Reference Letter for Work Provided**

It is with great pleasure that I write this reference letter to confirm work provided by JSTL Construction Ltd.

I first was introduced to JSTL Construction Ltd through a mutual colleague back in 2012. JSTL Construction Ltd has provided exceptional work for us with not one, but, two of our restaurant locations. The first Mexican Corner Restaurant back in 2012 in Market Place Whistler, and also helped with the construction of the new Mexican Corner location in the Sundial Hotel in 2013.

Both projects were completed in a timely manner and to very high standards. JSTL were diligent and professional with all of their work, and I have no hesitation recommending them for any future projects.

If you have any questions or would like to discuss further, please do not hesitate to contact me on the numbers below or via email: [pepe@infinityenterprises.ca](mailto:pepe@infinityenterprises.ca)
